KYAAH!!

WHOOSH
CRASH!
Oh My! What's going on?
Traffic accident?
I wonder if she bought a life insurance policy

Greetings, it's Marketplace Vivid live news reporter Kim Gapsik.
Live
Right now I'm at Yeon-an Marketplace center's site of accident.
There was an accident between an unidentified lady and Lim Kyeong-up, the son of army chief of staff, today at X o'clock.
VROOM
VROOM
But thanks to Kyeong-up young master's remarkable driving skills, there were no injuries.
Is character's the reader?
Who are you?
Over. Ending Vivid's live news!
Shoo! Go away spectators!
OUT

flutter
Kyeong-up are you okay?
I'm sorry about that.
I was moving in urgency so I didn't see.

SPARKLE
SPARKLE
Wo... Wooow~
Huh?
So cool~
I mean riding the horse! It's amazing!
I want to too! Give me a ride on a horse, too!
BOUNCE
BOUNCE
How long does it take to ride a horse like you?
I see that you're not hurt anywhere looking at you move like that

SWOOSH
flutter
Don't tell Me....
On that face, that injury... From a while ago when you fell...
Of course not....
STAMMER
STAMMER
Umm... this is... Basically...
There's trouble! Someone please!
Please report it to the government office!

T/N: Jeokryongdan - bandit's name

What are you talking about! Tell it to me in details!
..
Husband?
Husband?
Ah... yes! Basically...
Wait! Shop...? What shop?
Yea? Umm...at the gisaeng house
Ah, oh no! He told us that he came in secret!
My husband was in a gisaeng house?!
The Jeokryongdans were rioting in our shop and Shibaek young master was drawing their attention before
the royal forces arrived and then... that made the bandits angry so the bandits
Noisy

Like I would care about a guy like that. You said you saw bandits, right?
Did those guys have a mirror that looks like this?
No, I don't think I saw something like that
Oh, is that so then excuse
Kyeong-up young Master! Please save Shibsek young Master! If it's Kyeong-eop young Master..
I mean! It's something that only young Master Kyeong-up can do!
Because... Because...!!
STEP

YOUNG MASTER KYEONG-UP, THE SON OF IM-HWANG ELDER, THE ARMY CHIEF OF STAFF HE BECAME A HERO IN THE COAST BY LENDING A HAND TO THE ROYAL FORCES TOGETHER WITH HIS FATHER!
SO DON'T YOU THINK THAT HE'LL SAVE YOUNG MASTER SHIBAEK FROM THOSE JEOKRYONDAN OR WHATEVER BANDITS? WELL, BECAUSE HE'S YOUNG MASTER KYEONG-EOP!
'This manhwa may not be related with any historical figures.'
EVEN THOUGH HE KEEPS THAT POKER FACE, BUT AGAIN THAT COLD CHARM IS WHAT AROUSES A WOMAN'S HEART OOH
What the hell is with this woman..
PARK CHEO-SA'S STUDY TIME
In Yeon-an, there is a governor and a Byungmajeoldosa* A Byungmajeoldosa works in military service alongside the governor
My priority is to find what bandits stole from me I will search for Shibaek if I'll have time to spare
For now, report that guy's case to the government office
Since he's the governor's son, they won't be able to handle him roughly
Wait a Minute!!
Ste
Cool Kyeong-eop... That cold side of him is also so attractive...

T/N: Byeongma Jeoldosa (병마절도사) was an independent organization in Joseon dynasty which directed the Yeon-an (coastal) army. I will refer the Byeongmajeoldosa as the Yeon-an army chief of staff (is what we call them these days, but of course higher than today)

Hey! How can you do this when you're husband's friend?
And I don't know how much important that thing is but are you saying that is more important than someone's life?!
Let's go save my husband immediately!
At least this object is more important than that guy right now
Plus, blindly saying to go save him? Do you even know where their hideout is?
Weren't you the one that knows it? You rushed almost going after them...
SINCE YOU'RE TALKING INFORMALLY I WILL TOO~
HELP HIS GRUDGES
If anyone knows it, do you think the royal forces would've waited? Since no one knows, those bandits go swarming
and right now, one of bandits has the item I'm searching for. Well if I find the guy, then we'll probably find out their hideouts too

Considering how much secretive their activities are, finding out their hideout won't be easy
Since the thing they stole from me wasn't that long ago, they probably haven't gone to their treasure house yet; so I'm searching for them urgently
So don't interfere and move out of the way!
Umm... So basically...
you're saying that if I find the person who has that mirror, we can find their nest?
shine
What?
Needle?
Can you show me the mirror from before?
What are you doing?
Just keep watching! Originally, I used this way to find herbs...
Are you sure that it's exactly the same? It's not a cheap mirror where you can find it at every market place by any chance?
Of course. There are only two of these mirrors in this world made by a master craftsman

Okay! Needle, there should be a person who has his back on the ground with the same mirror! Try finding!
What are you doing now
!!
FLOAT
Oh my!
Are you a Tourist Magicians?
Oh my I heard that young Master's wife is an angel. It seems to be true
We don't have time! Let's go already!
Done! Now we just have to follow the needle!
Let's go!
It says that where the needle goes, so does the thread

My mother treasures it a lot.

Well, O-okay.

Cheers! Yongshik isn't here yet!
Let him be!

But what are we gonna do with him?

SPLASH
Wake up sprat!

Did you sleep well, young master~? By the sounds of it, it seems that you said some harsh stuff to our kids~

Ah... you rascals!
H-how dare you do this to someone like me!
Rich young master~~? I know I know~ Look at him stammering! Haha

So that's why we just caught you as our hostage to get some money~
FUFU~
FUFUFU~

FUFU~
If we're too lazy to wait, should we just send him to go catch fish?
moVe
Before that, can't we use him as a sandbag and beat him.
Or since he's got the looks ..
We can sell him to the traders..
!!
?!

He's grown up well, so pale and pretty, bro. My heart thumped for a second there...
Does eating white rice make you like this?
Even if we play with him a teeny bit, it wouldn't matter, right?
Send him to the sea or selling him to the traders or whatever-
Hey... What did you say now...
Uheheh!
Of course!
